

# THE VITAMIN PROFESSOR PODCAST IS NOW LIVE!

VRM Media is pleased to announce that we are presenting a new industry podcast called **The Vitamin Professor** with industry veteran Gene Bruno, MS, MHS, RH(AHG) in partnership with Nutraland USA. In this bimonthly podcast, Bruno will be interviewing experts who will help to educate dietary supplement brand owners, retailers and others on topics of interest to our industry.

**To listen, visit [www.VitaminRetailer.com/Podcast](http://www.VitaminRetailer.com/Podcast)**

## BE A GUEST!

Here is what's involved in being a guest on **The Vitamin Professor** podcast.

1. First, as a sponsor/advertiser on **The Vitamin Professor**, you'll have an opportunity to be a guest on one of Bruno's podcasts.
2. In the case of raw material suppliers or (in some cases) finished good companies, the nutraceuticals being discussed must have solid science that substantiate claims and efficacy. In fact, Bruno will not conduct an interview with a guest about a nutraceutical that lacks this type of support. In any case, he will need to receive advance copies of studies and any other documents which provide the science.
3. A guest on the show can provide Bruno with a list of questions they'd like him to ask. Likewise, he may have some additional questions that he would like to ask. Rest assured there won't be any "gotcha" questions.

- The Vitamin Professor** podcast is meant to be friendly and educational. Bruno and the guest agree upon the list of questions in advance of the actual recording.
4. The podcast will not be live. It will be recorded in advance of the release date. So, no worries about any errors. Those can be edited out.
  5. The guest should be interesting to listen to.
  6. We'll need a bio and headshot of the guest Bruno will be interviewing.
  7. Once the podcast is released, we can send you the YouTube link to use in your marketing and education efforts.
